Troye Sivan, HEAVEN (ft. Betty Who)

The truth runs wild Like a tear down a cheek Trying to save face, and daddy heart break I'm lying through my teeth

This voice inside
Has been eating at me
Trying to replace the love that I fake
With what we both need

The truth runs wild Like kids on concrete Trying to sedate my mind in its cage And numb what I see

Awake, wide eyed I'm screaming at me Trying to keep faith and picture his face Staring up at me

Without losing a piece of me How do I get to heaven? Without changing a part of me How do I get to heaven? All my time is wasted Feeling like my heart's mistaken, oh So if I'm losing a piece of me Maybe I don't want heaven?

The truth runs wild
Like the rain to the sea
Trying to set straight the lines that I trace
To find some relief
This voice inside
Has been eating at me

Trying to embrace the picture I paint And colour me free

Without losing a piece of me
How do I get to heaven?
Without changing a part of me
How do I get to heaven?
All my time is wasted
Feeling like my heart's mistaken, oh
So if I'm losing a piece of me
Maybe I don't want heaven?

So I'm counting to fifteen
Counting to fifteen, counting to fifteen
So I'm counting to fifteen
Counting to fifteen, counting to fifteen
So I'm counting to fifteen
Counting to fifteen, counting to fifteen
So I'm counting to fifteen
Counting to fifteen, counting to fifteen

Without losing a piece of me How do I get to heaven? Without changing a part of me How do I get to heaven? All my time is wasted Feeling like my heart's mistaken, oh So if I'm losing a piece of me Maybe I don't want heaven?

The truth runs wild Like a tear down a cheek
