

Truck Stop Love, It's Just Porn Mom

Friday after dinner, situation is the same over again
Mom she want's to watch the news
But I just want to watch the film at ten
So I get my way again.

Halfway thru the movie, naked bodies getting groovy on the screen
Mom she changes channels, turns away,
She can't believe what I've just seen
Embarrassed she starts to clean.

CHORUS

It's just porn mom, you're running away
You wouldn't believe what the kids see today
It's just porn mom, and it won't go away
Wherever you turn, you find porn every day
It's just porn.

Billboards on the way to school use
Porn to make their shit look really cool... so cool!
The girls I see on MTV conceal the fact that
their bands all look like fools but their videos make me drool.

CHORUS

It's just porn mom (3)

Mom I know that you're embarrassed but just face it
You can leave the movie on
Don't think that I'm so na've that I don't have a clue
Where I came from

CHORUS (2)

It's just porn mom (7)
