

# Tupac, Me And My Girlfriend&nbsp;

[girl]

Sheeit, ju motherfuckin right  
I'm the bitch that's keepin it live and keepin it hot  
when you punk ass niggaz don't  
Nigga Westside, WHAT! Bring it on

[Tupac]

Look for me  
Lost in the whirlwind, ninety-six, Bonnie and Clyde  
Me and my girlfriend, do one-eighty-five when we ride  
Trapped in this world of sin, born as a ghetto child  
Raised in this whirlwind (c'mon)  
Our childhood years recall the tears heart laced with venom  
Smokin sherm, drinkin malt liquor, father forgive her  
Me and my girlfriend, hustlin, fell in love with the struggle  
Hands on the steering wheel, blush, while she bail out bustin  
Fuck em all, watch em fall screamin, automatic gunfire  
exorcisin all demons  
Mafias on the side, my congregation high, ready to die  
We bail out to take the jail back, niggaz united  
Our first date, couldn't wait to see you naked  
Touch you in every secret place, I can hardly wait  
to bust freely, got you red hot, you so happy to see me  
Make the frontpage primetime live on TV  
Nigga my girlfriend, baby forty-five but she still live  
One shot make a nigga's heartbeat stop

[girl]

What!! I'm bustin on you punk ass niggaz \*automatic gunfire\*  
Run nigga run! \*gunfire\* I'm on yo' ass nigga! \*gunfire continues\*  
Run nigga, duck and hide! Nigga I'm bustin all you bitches!  
Run nigga, yeah! Westside! Uh uh uh! Die nigga die!

[Tupac]

My girlfriend, blacker than the darkest night  
When niggaz act bitch-made she got the heart to fight  
Nigga my girlfriend, though we seperated at times  
I knew deep inside, baby girl would always be mine  
Picked you up when you was nine, started out my life of crime  
wit you, bought you some shells when you turned twenty-two  
It's true, nothin compares to the satisfaction  
that I feel when we out mashin, me and my girlfriend

[Chorus: Tupac]

All I need in this life of sin, is me and my girlfriend  
Down to ride to the bloody end, just me and my girlfriend  
[repeat 2X]

[Tupac]

I was too immature  
to understand your ways, inexperienced back in the days  
Caused so many arguments and strays  
Now I realize how to treat ya, the secret to keep ya  
Bein faithful now cause now cheatin's lethal  
We closer than the hands of time, deeper than the drop of mankind  
I trust you dearly, I shoot blind  
In time I clock figures, droppin niggaz as we rise  
We all soldiers in God's eyes -- now it's time for war  
Never leave me baby, I'm paranoid, sleepin witcha  
loaded by my bedside crazy  
Jealous when you hang wit the fellas, I wait patiently alone  
anticipated for the moment you come home  
I'm waitin by the phone this is true love, I can feel it

I've had a lot of women in my bed, but you the realeast  
So if you ever need me call, I'll be there through it all  
You're the reason I can stand tall, me and my girlfriend

[Chorus]

[Tupac]

I love finger fuckin you, all of a sudden I'm hearin thunder  
When you bust a nut, niggaz be duckin or takin numbers  
Love to watch you at a block party, beggin for drama  
While unleashin on the old timers, that's on my mama  
I would trade my life for yours, behind closed doors  
the only girl that I adore, everything I'm askin for  
Talkin to me beggin me to just, take you around  
Seventeen like Brandy you just Wanna Be Down  
Talkin loud when I tell you be quiet you move the crowd  
Bustin rounds, activatin a riot, that's why I love you so  
No control, down to roll, unleash  
After a hit you break apart, then back to one piece  
Much love to my one and only girlfriend, the world is ours  
Just hold me down, baby witness the power  
Never leave a nigga alone, I love you black or chrome  
Turn this house into a happy home, me and my girlfriend

[Chorus 3X]

Lost in the whirlwind, ninety-six, Bonnie and Clyde  
Me and my girlfriend, do one-eighty-five when we ride  
Trapped in this world of sin, born as a ghetto child  
Raised in the whirlwind -- look for me  
[repeat 3X]

Lost in the whirlwind, ninety-six, Bonnie and Clyde  
Me and my girlfriend  
[repeat 2X]

ME AND MY GIRLFRIEND!
