

Tupac, Playa Cardz Right

What's up boo (yeah).....hahahaha.....yeah man
Another shady mission, (pause) tricks,
Like watchin picture's in hazy vision
Tonight it's love makin', take you any place you wish
Today we satisfy, yesterday was stolen kisses
Blind insanity perfect pictures of me and my family
Not understanding the death of me, had they plans for me
If I have kids, will I live to see em' grow
Though I dont know, I live the life of a thug nigga
Until the day I go with broken promises, a sacred bond broken
I know I die alone, but yet and still im hopin'
Vision's in prison's, maybe i'll be forgiven
I know it's better in heaven cuz bein' here ain't livin'
Close my eye's and see nothin' but pain
The world's crazy, still lookin' for a queen
To plant seed's and have babies
Maybe i'll be the one, or just maybe im lost
You'll never know being cautious,
If you play your cards right

(Chorus)

I wanna be the one who
Who you can depend on, who
Who'll be the one who'll be there

Go by the wire, we won't leave until the mornin'
We won't leave until the night
And we will be forever more

(Keisha)

No one else can do, what you do for me
Take me away from the pain, I feel inside
If it's gonna be real, why wont it be okay
If we try and take our time, please baby
Take your time, and we'll grow, trust I know
I wanna be the one who

(Chorus)

I wanna be the one who
Who you can depend on, who
Who'll be the one who'll be there

Go by the wire, we won't leave until the mornin'
We won't leave until the night
And we will be forever more

(Pac)

Gotta play your cards right on one
Can't be rushin like it's a race, you know what im sayin
If you be patient and take your time
And you finesse it
9 times out of 10 homeboy, you gonna wake up wit ya breakfast in bed
But if you rush, and you just be man handlin
Your ass goin home tonight
Play your cards right nigga, take your time, be patient
Go slow, it's better that way
If you ain't have it, playa cards right

(Chorus)

I wanna be the one who
Who you can depend on, who
Who'll be the one who'll be there

Go by the wire, we won't leave until the mornin'
We won't leave until the night
And we will be forever more

(Pac)

Take your time man, don't be in such a rush
You got to be patient man, be patient
It ain't goin nowhere one, get some champagne
Bring some roses or sometihin ya know
Play some soft shit, light a fire
You gotta be clear wit it, you gotta be slow wit it
Got ta be patient, you gotta playa cards right on one
Can't be rushin like it's a race, you kno what im sayin
If you be patient and take your time
And you finesse it
