

Tuuli, Where Are You Now

Where are you now?

there was a time you tried to damage me
and make me feel like i was such a freak
you had the strength to torture me and turn the whole world against me
the times have changed you never got your way

where are you now?

im glad you failed
and no one cares

i know you thought you'd be the one to have it all
i guess you're proven wrong
its nice to hear that you're life has gone nowhere
while i'm standing here
becoming what you said i'd never be

Where are you now

im glad you failed
and no one cares

It doesnt hurt so bad to look back now that you got what you deserved
and i did too!
