

# TV On The Radio, Mister Grieves

Hope everything is alright

What's that floatin' the water  
Oh Neptune love's only daughter.  
I believe in Mr. Grieves  
Pray for a man in the middle  
One that talks like doolittle  
I believe in Mr. Grieves  
Do you have another opinion?  
Do you have another opinion?

La la la la  
La la la la  
La la la la  
La la la la

You can cry you can moan  
But can you swing from a crude rope.  
Oh I believe in Mr. Grieves  
Hope everything is alright  
Hope everything is alright
