

Twice Born, Benevolence

So many times we forget the love of God
The power of His name and the healing that it brings
I want to live in the presence where He gives salvation to all
To those who call upon His name.

I call upon Jesus
I call upon You
I call upon Jesus
I call upon You.

Holy God, merciful benevolent, Almighty Savior, Creator, I repent
Loving kindness forgiving me of all my sins
Eternal Father, I call on You again.

Holy Spirit, comfort me within
With Your Spirit, fill me up again.

This is what I live for
This is where I am
This is where I want to be, safe in Your hands
Jesus, my Redeemer, help me understand
Show me how to live a life that glorifies Your name.

I confess love
I profess boldness
I take a stand for Your name
And I know that I'll never be the same
Never be the same.
