

# TWICE, MORE & MORE

I know i want it  
I ma not gonna try to please you anymore  
Cause i deserve it  
Deserve it  
Even if you dislake me for a moment  
I won't worry  
Cause i know you  
i know you  
try to avoid my eyes  
try to hide how you feel  
try to run away from me  
no, no

when you open your eyes again  
when you start thinking about me  
you are gonna be mine again

you're gonna more  
more /3x  
and more  
can't stop  
more /2x  
and more  
so one more time  
i wanna have more  
more /3x  
and more  
don't wana stop  
more /3x  
and more  
so one more time

can't stop  
more and more  
so one more time  
don't wana stop  
more and more

do you feel me  
do you believe you are the one for me  
only for me /2x  
there's no need to say those mushy things  
cause you know me  
you know me  
even if you keep covering your eyes  
even if you push me away  
even if i Wander far from me  
no no

when i call again  
when you hear my voice  
you are gonna be mine again  
yeah, ,one more time

you're gonna more  
more /3x  
and more  
can't stop  
more /2x  
and more  
so one more time  
i wanna have more  
more /3x  
and more

don't wana stop  
more /3x  
and more  
so one more time

can't stop  
more and more  
so one more time  
don't wana stop  
more and more
