

# Twisted Sister, Pay The Price

(D. Snider)

You and I, we lit the fire  
We build it, baby, my desire  
But now you say I overdo it  
Be careful, baby, don't make me choose it

(CHORUS:)

Oh, always, oh, always gotta pay the price  
Oughta hear who'd love for free  
Gotta pay the price  
Oh, pay the price for loving me, yeah

I need your love to be a man  
But oh lord, honey, you don't understand, no  
But both our lives have just begun  
I just can't trade these two for one

(REPEAT CHORUS)

Ah, for love of me, yeah

(Solo - Eddie)

Oh, you and I, we lit the fire  
We build it, baby, my desire  
You want me to be your lover  
Well, now you start to pay, there'll be no other

(REPEAT CHORUS 2x)

Ah, for love of me, yeah
