Twisted Sister, Pay The Price

(D. Snider)

You and I, we lit the fire We build it, baby, my desire But now you say I overdo it Be careful, baby, don't make me choose it

(CHORUS:)

Oh, always, oh, always gotta pay the price Oughta hear who'd love for free Gotta pay the price Oh, pay the price for loving me, yeah

I need your love to be a man But oh lord, honey, you don't understand, no But both our lives have just begun I just can't trade these two for one

(REPEAT CHORUS)

Ah, for love of me, yeah

(Solo - Eddie)

Oh, you and I, we lit the fire We build it, baby, my desire You want me to be your lover Well, now you start to pay, there'll be no other

(REPEAT CHORUS 2x)

Ah, for love of me, yeah
