

Ty Herndon, I Want My Goodbye Back

I Didn't Mean To Break Your Window, I Was Tryin' To Wake You Up
But When I Saw You Out Last Night It Hit Me Like A Truck
I Tried To Call All Day At Work, Didn't They Give You My Fax
Hey I Want My Goodbye Back

I Had A Momentary Temporary Lack Of Self Control
I Said This And I Said That, I Was Really On A Roll
It's Been Downhill Ever Since My Good Sense Jumped The Track
And I Want My Goodbye Back

My Doctor Says I'm Better Now, But I Still Feel The Pain
I Showed Him Your Picture, He Said Man You Are Insane
He Asked Me For Your Number And Now His Left Eye Is Black
And I Want My Goodbye Back

I Had A Momentary Temporary Lack Of Self Control
I Said This And I Said That, I Was Really On A Roll
It's Been Downhill Ever Since My Good Sense Jumped The Track
And I Want My Goodbye Back

Bridge

I Might Have Been Insensitive But I Have Learned A Lot
I Know What I Can Live Without And I Know What I Ain't Got

I Had A Momentary Temporary Lack Of Self Control
I Said This And I Said That, I Was Really On A Roll
It's Been Downhill Ever Since My Good Sense Jumped The Track
And I Want My Goodbye, Baby You Know Why
I Want My Goodbye Back
