Tyrant Tea Club, Touch Me

When the sentences start to fall down my back theyd like to crawl I dont care whos wrong or right, I dont want us here to fight I just wanna make it sure, I dont want to be your whore

I tried to reach you, tried to touch you, I tried to reach you

Now we finally have reached a state that othersd call complete I dont care whos wrong or right...

I tried to reach you, tried to touch you, I tried to reach you

ladideidideideida... I dont care whos wrong or right...

I tried to reach you, tried to touch you, I tried to reach you
