

Tyrese, I'm The Other Man ~ Interlude

Naw for real man, it's like everytime I run into a girl
She just wanna sit up and tell me about how her man treatin' her
This is what I told one girl check this out yall

When you get lonely at night (holla)

Call me

I'll be right there (I'm the other man, I'm the other man) I'm the other man (with your woman)

When you need someone to talk to you know just what to do

Pick up the phone and call me

(I'm the other man, I'm the other man) I'm the other man (with your woman)

When he ain't lovin' you right

Callin' Tyrese is alright

I'm a give you what you missin'

(I'm the other man, I'm the other man) I'm the other man (with your woman)

Does the make you less of a man

To walk down the street holding your woman's hand?

(I'm the other man, I'm the other man)

That's why, I'm the other man

I'm the other man

(Yeah, Yeah, yeah Get your life together)

(Cuz she's gonna keep on coming my way baby)
