U.D.O., Back In Pain

Fight for the right thing Fight for yourself-no one should run your life Believe in you- it's just the best to do

Before you're giving up Stay put and give yourself a chance to grow Get tough and rough- defend yourself on time

Get coming back for more You gotta push it through You're gonna make the truth come true

Back in pain-freedom is not free Back in pain-freedom is not free

You see yourself so busy Doing things people always telling you to do No matter what- always on your own

Fight just for the right thing Go all the way and never ever change it

Get coming back for more You gotta push it through You're gonna make the truth come true

Back in pain- i wanna see your pride Back in pain- freedom is not free Back in pain- you're gonna win this fight Back in pain- freedom is not free, yeah

Oh yeah, you can't do it on your own I tell ya nothing, nothing new You gotta see yourself as what you are Blinded by light and lost- lost in the dark

Back in pain- i wanna see your pride Back in pain- freedom is not free Back in pain- you're gonna win this fight Back in pain- freedom is not free, yeah

Back in pain- i wanna see your pride Back in pain
