

# U.D.O., Metal Maniac Mastermind

You sense his picture without a clue  
You feel his presence- you think it's true  
Somehow we know we have to pay  
For all the things we didn't do or say

He is here- calling for you  
Don't turn away- get down on your knees and pray  
Seven days- seven secrets he had  
We can't find out- and that's too bad

We always tried to believe in you  
No sign or proof of the truth

We pray to you- metal maniac mastermind- looking for ya  
No one like you- he's coming back for you  
We pray to you- metal maniac mastermind- looking for ya  
No one like you- metal maniac mastermind

We're burning out like a fireball  
Leaving just a shell  
If you ever gonna let us down  
We break apart- so let's hold on

We always tried to believe in you  
No sign or proof of the truth

We pray to you- metal maniac mastermind- looking for ya  
No one like you- he's coming back for you  
We pray to you- metal maniac mastermind- looking for ya  
No one like you- seven days- seven secrets he had

And when you hear the voice- you know you got no choice  
With no more tears and no more fears- you will never be alone again

He's coming back just for you- who ever thought that he would  
You better start to believe it- it's time to let a dream come true

We always tried to believe in you  
No sign or proof of the truth

We pray to you- metal maniac mastermind- looking for ya  
No one like you- he's coming back for you  
We pray to you- metal maniac mastermind- don't turn away  
No one like you- seven days- seven secrets he had

We pray to you- metal maniac mastermind- looking for ya
