

# U2, California (There Is No End To Love)

Ba-Ba-Barbara, Santa Barbara /4x

California  
Then we sail into the shallow sea  
The wind that drags your heart down  
Well, that's what took me where I need to be

Which is here, Alazzurra  
Watching you cry like a baby  
California  
At the dawn you thought would never come  
But it did  
Like it always does

You know  
And all I need to know is  
There is no, yeah, there is no end  
To love

I didn't call you  
A risk can scare a thought away  
Everyone's a star in our town  
It's just your light gets dimmer if you have to stay

Can you imagine in a mirror  
Watching yourself cry like a baby  
California  
The blood orange season brings you to your knees  
I've seen for myself, there's no end to grief  
That's how I know

That's how I know  
And why I need to know  
If there is no, if there is no end  
To love

You know  
And all I need to know is  
There is no, yeah, there is no end  
To love  
/2x

We come and go  
With stolen days you don't get back  
Stolen days are just enough
