

# UB40, Maybe Tomorrow

I don't know how many stars there are  
Up in the heavenly skies  
I only know my heaven is here on earth  
Please darling look into my eyes

You're all I need to get by  
No one else couldn't make me cry  
The way you do, baby

My beautiful bird you have flown away  
I held you too tight I can see

You're all I need to get by  
No one else can't make me cry  
The way you do, baby

You are the book that I'm reading, babe  
You are the song that I sing  
You are the four seasons of my life  
But maybe tomorrow, you change your mind girl  
Maybe tomorrow, you come back to my arms girl

You're all I need to get by  
No one else can't make me cry  
The way you do, baby

You are the book that I'm reading, babe  
You are the song that I sing  
You are the four seasons of my life  
But maybe tomorrow, you change your mind girl  
Maybe tomorrow, you come back to my arms girl

But maybe tomorrow, you change your mind girl  
Maybe tomorrow, you come back to my arms girl
