

Ultrabeat, I wanna touch you

I'm sure you know
I'll care for you
This time we know
I'll be waiting
Just like a dream
of love, that's past
We seem to be hesitating
I wanna touch you
I wanna be with you
I wanna hold you in my arms
I'll never regret you
Never forget you
Don't wanna ever fall apart
I wanna touch you
I wanna be with you
I wanna hold you in my arms
I'll never regret you
Never forget you
Don't wanna ever fall apart
I wanna touch you
I wanna be with you
I wanna hold you in my arms
I'll never regret you
Never forget you
Don't wanna ever fall apart
