## Ultrabeat, I wanna touch you

I'm sure you know I'll care for you This time we know I'll be waiting Just like a dream of love, that's past We seem to be hesitating I wanna touch you I wanna be with you I wanna hold you in my arms I'll never regret you Never forget you Don't wanna ever fall apart I wanna touch you I wanna be with you I wanna hold you in my arms I'll never regret you Never forget you Don't wanna ever fall apart I wanna touch you I wanna be with you I wanna hold you in my arms I'll never regret you Never forget you Don't wanna ever fall apart
