

Umami Tsunami, Geronimo (Norwegia - piosenka)

Yo, my flame don't flicker
It just gets bigger
Yeah, I know I'll be the greatest
Never seen none bigger
Got more bars than the whole
Of the great Fort Knox
(Make it man, you got to
No one's gonna' stop you)

Call me ice because I'm cool with it
(Oh yeah)
Cadillac how I cruise with it
(Oh yeah)
Luck ain't got nothing to do with it
(Oh yeah)
Make it man, you got to
No one's gonna' stop you

Don't waste your life waiting for your moment to shine
G - E - R - O - N - I - M - O
Just seize the moment
Boy, you know it is your time embrace that
G - E - R - O - N - I - M - O

Geronimo
(D-D-Down down)
Just let it go
(D-D-Down down)
Take back control
(Down, down, down)
Till your bodies hit the ground, Geronimo

Geronimo
(D-D-Down down)
Just let it go
(D-D-Down down)
Take back control
(Down, down, down)
Till your bodies hit the ground, Geronimo

Diablo with the flow yeah, I make it look easy
Got a drip so cold it's freezing
If I'm gonna get on it, I'm gonna raise the ceiling
(He raise the ceiling?)
(He raise the ceiling?)

You better bet when we get on a track that it gonna' get wild
It issa style
Top of the pile
We are the night

Call me ice because I'm cool with it
(Oh yeah)
Cadillac how I cruise with it
(Oh yeah)
Luck ain't got nothing to do with it
(Oh yeah)
Make it man, you got to
No one's gonna' stop you

I flow with a rhythm
Forbidden levels of steeze in
I'm a braggart badass who raps fast
Instead of speaking

Ain't lost a battle, I'm 40 to 0

Make it man, you got to
No one's gonna' stop you

Don't waste your life waiting for your moment to shine
G - E - R - O - N - I - M - O
Just seize the moment
Boy, you know it is your time embrace that
(Turn it up!)
(Turn it up!)
G - E - R - O - N - I - M - O
(Go bigger now)
(Gon' burn it up!)
(Everyone come on
Yeah we turn it up!)

Make it extra
Make it super bad
We gon' rise up
Yeah, we doing that
Now everybody stop

Ay! Ay
Bring the beat back

You better bet when we get on a track that its gonna' get wild
It issa style
Top of the pile
We are the night
(Yeyeye!)

Whippin' it up in a millisec like
We out of time, kissin' the sky
Flippin a zippo and settin' a fire

Geronimo
(D-D-Down, down)
Just let it go
(D-D-Down, down)
Take back control
(Down, down, down)
Till your bodies hit the ground, Geronimo

Geronimo
(D-D-Down down)
Just let it go
(D-D-Down down)
Take back control
(Down, down, down)
Till your bodies hit the ground, Geronimo

You have the potential to be the best of all time
(Use your potential)
I know that you'll make it if you
If you just try

Geronimo
(D-D-Down down, down)
EL-GA-ROH
(D-D-Down down)
Geronimo
Till your bodies hit the ground, Geronimo

Geronimo

(Geronimo!)
Just let it go
(Just let it go!)
Take back control
(Down, down, down)
Till your bodies hit the ground, Geronimo
