

Undead, Never Say Die

(Steele)

Sometimes when things don't seem so hot
I give it everything I've got
There's not much else to do
So I just stick it through
And then you'll see me standing tall
I get knocked down but I don't cry
I'll stand right up, you ask me why?
I'll tell you
I'll never say die
I'll never say die
Don't give up and you will find
Just what you're looking for
Never say die!
Never say die!
Never say die!

Sometimes when living is the pits
That's when I know I just can't quit
You might say that I'm nuts
But I know I've got the guts
And I don't give a damn what you say
And I'll never say die!
Never say die!
Never say die!
Die!

Sometimes when things don't seem so hot
I give it everything I've got
There's not much else to do
So I just stick it through
And then you'll see me standing tall
I get knocked down but I don't cry
I'll stand right up, you ask me why?
I'll tell you
I'll never say die
I'll never say die
Don't give up and you will find
Just what you're looking for
Never say die!
Never say die!
Never say die!
