

# Undead Phoenix, D.I.E.(Do It Eventually)

I've got some questions on my mind  
that I hate to ask  
I remember few years back  
everyone was on the same track  
now nobody cares  
nobody listens  
and this lack of empathy  
is killing me  
Why (WHY) so many people  
still buying all of their lies  
(LIES)  
I can't believe it  
Are (YOU) blind or deaf  
or really just don't care  
(WHY)  
why you do this  
Now, there will be no more lies  
it's time for you to

DIE  
this madness must stop  
DIE  
You've done too much harm  
DIE  
There'll be no mercy  
D.I.E.  
DIE  
You've lost your chances  
DIE  
We've lost our patience  
DIE  
Your time has come now  
D.I.E do it eventually

It's getting worse and worse  
that I can't see any hope  
we have to choose a force  
or we might have to choose a rope  
enough of your greed  
enough of your hate  
This is the last time  
you spit on me  
Why (WHY) so many people  
still cannot see anything  
(A THING)  
after all of these years  
Brain (WASHED),  
Divided  
we won't survive this hell  
(HELL)  
understand it!  
Now, I call you for last time  
Together we'll make them

DIE  
this madness must stop  
DIE  
You've done too much harm  
DIE  
There'll be no mercy  
D.I.E.  
DIE  
You've lost your chances  
DIE

We've lost our patience  
DIE  
Your time has come now  
D.I.E do it eventually

Democracy as a system might not be best  
but for sure is fair enough  
because you won't get what you want  
you get what you deserve

DIE  
this madness must stop  
DIE  
You've done too much harm  
DIE  
There'll be no mercy  
D.I.E.  
DIE  
You've lost your chances  
DIE  
We've lost our patience  
DIE  
Your time has come now  
D.I.E do it eventually  
DIE  
this madness must stop  
DIE  
You've done too much harm  
DIE  
There'll be no mercy  
D.I.E.  
DIE  
You've lost your chances  
DIE  
We've lost our patience  
DIE  
Your time has come now
