

# Under The Influence of Giants, Meaningless Love

I like you better  
In any weather  
When you're not trying  
It's so inviting  
I don't deserve you  
I can't afford you  
Unless you're timeless

I wanted to say that I had nothing to do with  
The meaning of love  
So you can't say that ( )  
I wanted to hide but I had nothing to do with  
The meaningless loving ahead

I find that letter  
We wrote together  
When time was fearless  
Nobody's mistress  
I tried to tell you  
I can't afford you  
Unless you're timeless

I wanted to say that I had nothing to do with  
The meaning of love  
So you can't say that ( )  
I wanted to hide but I had nothing to do with  
The meaningless loving ahead

I wanted to say that I had nothing to do with  
The meaning of love  
So you can't say that ( )  
I wanted to hide but I had nothing to do with  
The meaningless loving ahead

Said you can walk with me  
You can walk with me

You can walk with me  
You can walk with me  
Oh, oh  
You can walk with me  
You can walk with me

You can walk with me  
You can walk with me  
(Come sit closer, yeah)

You can walk with me  
You can walk with me
