Unsane, This Plan

Know what this does Pull-up, you can Follow the leader No time to make sense of this plan

Make sense of this plan

Saw what it was Stick up, this man Into the alley No time to make sense of this plan

Make sense of this plan

Taken, by threat Lost all the choices you had Taken, not yet Put out, you can

Look what this does Wake up, can't stand Off of the sidewalk

No time to make sense of this plan

Tell what this was Burn up, this land Thought up the changes No time to make sense of this plan
