

# Untoten, Bite Me (Take Me To The Limit)

Take me to the limit  
Take me to the limit  
Take me to the limit  
Take me to the limit  
Take me to the limit

We are not talking about a drug crazed partytime  
Drugs were taken for a very specific purpose  
That was to take their own lives!

Own lives!

Bite me! Take me to the limit  
Bite me! Take me to the limit

We are not talking about the dream begins to fade  
We are not talking about it seems to be a group decision

Decision

Bite me! Take me to the limit  
Bite me! Take me to the limit  
Bite me! Take me to the limit  
Bite me! Take me to the limit

Bite me! Bite me!

We are not talking about a drug crazed partytime  
Drugs were taken for a very specific purpose

Bite me! Take me to the limit  
Bite me! Take me to the limit  
Bite me! Take me to the limit  
Bite me! Take me to the limit
