

# Up Dharma Down, Lazy Daisy

She's a lazy daisy  
Watching the sun turn  
Into rain and maybe  
Waiting for something  
To take the pain  
She don't know why  
It doesn't shine  
In her rainbow sky  
Everytime  
She won't say  
How the word can play  
She won't say  
How you can stay  
She's a lazy daisy  
Painting pictures in her head  
Sweet like candy  
Loving all of what is said  
She don't know why  
It doesn't shine  
In her rainbow sky  
Everytime
