

# Upa Dance, Baila Morena

Cantano: Rober e Pedro

Yeah  
Ven chica, ven loca,  
Dame tu boca  
Boom sexy boom  
Boom boom sexy boom boom

It blows my mind, now that I found you  
Deep in the night of tequila boom boom  
Slide by me, sexy thing, sexy and fine  
I got my eyes on you all of the time  
Yeah...

You've got to have chaos burnin' in you (you)  
To make you open like a flower in bloom (come on)  
Hell lives inside next to paradise  
The moon and sun have come to watch your shine

Baby (baby), the night is on fire (the night is on fire)  
Yeah we're flames in the sky  
Flashin' through the night  
What you say ?

Baila, baila morena  
Bajo esta luna llena  
Under the moonlight  
Under the moonlight

Yeah...

Ven chica ven loca  
Dame tu boca  
En esta noche  
Cualquier cosa te toca

My heart is gold  
Heart of a saint  
With you beside me girl  
Oh, that I ain't

Baby (baby), the night is on fire (the night is on fire)  
Yeah we're flames in the sky  
Flashin' through the night  
What you say ?

Baila, baila morena  
Bajo esta luna llena  
Under the moonlight

Baila, baila morena  
Sotto questa luna piena  
Under the moonlight  
Yeah yeah yeah...

Vai chica vai  
Coocha che mi sa cooca  
Che questa sera  
Qualche cosa ti tocca  
L'inferno, e i'l paradiso  
Dentro di te  
Boom boom sexy boom boom  
Ven chica ven chica sexy boom boom

Baila, baila morena  
Bajo esta luna llena  
Under the moonlight

Baila, baila morena  
Sotto questa luna piena  
Under the moonlight  
Yeah yeah yeah...

Sotto questa luna piena
