Uriah Heep, Home Again To You

Don't throw it all away
Hear what I've gotta say
Because you're always on my mind
I've got an eye on you
And only you will do
And I don't wanna waste my time

So won't you hear my out Because it's all about when I come home again to you

You're such a little child You're gonna drive me wild As I just don't know what to say I got an eye on you And only you will do And I don't wanna get in your play

Hesitate, because I cannot wait Till I come home again to you

You make me feel so old

Just like I have been told Because it's always up to you Oh baby, hear me out I've done all my time And I don't wanna be misused

So please don't hesitate Because I cannot wait Till I come home again to you

Can't waste all my time
Give me all today
Well it's on my mind
You can't own me
When all I wanna be
But I don't wanna waste all my time

Hear me out Because I'll scream and out When I come home again to you

Home to you ...
