

# Uriah Heep, Lying (Previously Unreleased Out Take)

Don't let love make a fool of you  
Love is ??? tellin' truth  
Than never any lies  
Came to me by seein' truth  
In each other's eyes  
Each other's eyes  
What can of a fool do you think I am?  
Cos I have no money  
Does it mean I'm half a man?  
You know that I will give you all  
Give you all that I can  
You're lyin', tellin' me what I should be  
You're lyin', tellin' everyone it's me  
You're lyin', tellin' me what I should be  
You're lyin', lyin', lyin', lyin'  
Tellin' lies can only break you in two  
You tell the biggest solo  
What do you hope to gain?  
If I were you then I would  
Try to make amends  
I'll tell all my friends  
You livin' a world of dreams  
But it's too late to change  
Your way of life, it seems  
So you just carry on  
The best way you know how  
You know how
