

# Uriah Heep, Split Image

It's the same old line  
People get to you if they can  
They take what they find  
They will change you mind  
They will fit you into their play

And then one day you'll wake up  
As somebody else  
Someone they advented

A split image  
Don't let them burn you  
Split image  
Don't let them turn you  
Split image  
Just keeps comin' back

Comin' back, comin' back  
To who you are

And the wrong get born  
And the right ones just stay away  
What he's livin' for  
If the wrong get born  
And we don't have a word to say

And it's so hard to wake up  
Or in right groove  
A crack in the mirror

He's come ...  
Remember who you are
