Uriah Heep, Think It Over (Single A Side)

I've had all I can take
I've taken just too much
I've made a big mistake
That put me out of touch
I don't think I can face
Another single day
Without a companion
To take this pain away
So many tears ago
It's then you walked away
It could've been the end
But I knew babe
I had to tell myself
There'll be another day
She wants to go to glench
But don't you know
Can't you see
There's a chance for you and me
Think it over
Don't believe
In the things that may not be
Think it over
I got to think it over
Forgetting the result
I can't give it in
Whisper startle you
But it's not over
You have to face the truth
I'm still in love with you
I have to make you see
But it's not over
I got to think about it baby
