

Uriah Heep, Whad' Ya Say

Whad' ya say...

Lady you're tyin' me down

Turning my heart to stone

And I can't help feeling I'd better off

Back out in the streets alone

Baby you're hurtin' me, deserting me again

I looked for your loyalty

And found a fickle friend

We could try to get back on the right track baby

Or leave it, just throw it away

We could pick it up, pack it up, make up or

Break up let's try again, whad'ya say

Faced with this situation, there's two things we can do

A lot of it is up to us, but most of it's down to you

You know we shouldn't play with love

It's a dangerous thing to do

So let's not get agony and ecstasy confused

Whad'ya say
