Uriah Heep, What About The Music

I don't mind talking, girl But there's a time and place Right now we're alone, yeah But it's just gone to waste

Look up and see the moon Slide down the clouds The radio is playing softly now So if you talk above a wisdom It's too loud

What about the music, babe What about the moon It's a shame if we talk music We'll be leaving soon

You keep on talking, girl We can talk on the phone We should be kissing, babe Now that we're alone

Though when they're singing Love songs to the moon You know it's love That makes the flowers bloom But you keep saying things you Could tell me in a crowded room

What about the music, yeah What about the moon, babe

It's a shame if we talk music We'll be leaving soon

What about the music Sweet soul music What about the moon Hey, what about the moon, babe We are loving and I can't lose it We'll be leaving soon

What about the music, yeah What about the moon I said it's a shame if we talk music We'll be leaving soon

What about the music, yeah What about the moon It's a shame if we talk music We'll be leaving soon

What about the music, yeah What about the moon It's a shame if we talk music We'll be leaving soon

What about the music What about the moon It's a shame if we talk music We'll be leaving soon
