Yo.. check this here
There nuttin' that I'd rather do
Than spend some time with you
So why don't we just chill
Make it coco sexy, you know

Spend some quality time
You make me wanna cha cha cha...
Oh baby, you sure like to
Nah nah nah nah nah... nah nah nah nah nah
We've been hangin' out everyday this week
How about I fix you a little something to eat
And just chill, we got a while, right now just chill
Parle lil' momma, right here
Sippin' on Chardonnay
Slip on that Victoria Secret lingerie
Cause I ain't gonna throw my money away
If I can see you talk it out for me
1 - (Talk'n it out)
Layin' in the cut
Kissing and rubbin, makin' sweet lovin'
Damn the club tonight
Girl let's work it out (It'll be)
Just me on you (All night)
From eleven 'til six in the morning
I know you like when I do you like that
Just work it out
Now that I got you all soaking wet
I bet you know what's coming next (You)
Gonna twerk it out
Ah baby, let me tell you how
What do you think about me
Twerkin' it from your front to your back
And kickback, relax come sit here on my lap, shorty
Tonight I'm takin' you all the way
Won't stop until you scream my name
Repeat 1
Repeat 1
Morning is coming and I dont want to let you go
Let's just lay her in this bed of red rose pedals
I know that we spent but one kiss
Could make this start all over again
If you want it baby, come with me
It's way to trill the way you making it feel
The way you twerkin' is oh so sexy
Oh baby, you sure love the part
It's way to trill the way you making it feel
The way you twerkin is oh so sexy
Oh baby you sure love the part
Repeat 1
