

Usher, Up In It

verse 1: I get there and she's twirling her hair like she knows somethin' that I don't and I can't resist

Chorus:I want to touch you everywhere that I can I want to free style I want to be your man and I su

Verse 2: Oh next thing we know she's in conrol 'cause we in the bath tub you do the math 'cause s

Chorus:I want to touch you everywhere that I can I want to free style I want to be your man and I su
