TRANSLATED
I'm always told that
Crying won't change anything
But no one cries with that purpose in mind
I worry and I just can't help it
I just can't control the time
Take off into the blue sky
From this long runway!
Time will tell
When time passes we'll understand
Cry, it's ok if you don't try so hard
When time passes we'll understand
Cry, there's no hard road to tomorrow
Surely, surely, surely
Even if there's rain, if we fly above the clouds
Always blue sky
Even the sun seems so close
Like you could grab it with your hand
Don't get depressed alone
We just can't control the time
Take off into the blue sky
From this long runway!

Time will tell
When time passes we'll understand
Cry, now I can't even fool myself with these excuses
Time will tell
When time passes we'll understand
Cry, so now it's ok to cry if I feel like it
More, more, more
Time will tell
When time passes we'll understand
Cry, it's ok if you don't try so hard
When time passes we'll understand
Cry, there's no hard road to tomorrow
Surely, surely, surely
