

# Vains Of Jenna, Don't Give A Damn

Yea!!

Now that i have found myself  
You try to put me down  
You fill me up with cyanide  
But i spit your lies right back!

Your empty words are choking me  
And your silence makes me scream  
I'm in a lifetime padded cell

You waste your time on saving me  
I hate it, I've had enough  
I'm in a lifetime livin' hell!

Hey baby, hey baby  
What do u say?  
Hey baby  
I don't really care what you say about me!

DON'T GIVE A DAMN  
If i take too much, that i can't even handle  
DON'T GIVE A DAMN  
If my life goes down the drain  
(i'll do it again)  
(Don't Give A Damn Lyrics on  
My life is fueled with gasoline, some say it's suicide  
DON'T GIVE A DAMN

Tiny little dancer in the street  
Talks a little too much  
Punched out souls are standin' in my way  
Head over heels i knock you out!

With a cock-eyed sense of disrespect  
And a hard time holding back  
Ain't gonna let you bring me down

The ashtray glow inside her eyes  
And the fire in their soul  
I'm gonne smoke you out tonight!

Hey baby, hey baby  
What do u say?  
Hey baby  
I don't really care what you say about me!

DON'T GIVE A DAMN  
If i take too much, that i can't even handle  
DON'T GIVE A DAMN  
If my life goes down the drain  
(i'll do it again)  
My life is fueled with gasoline, some say it's suicide  
DON'T GIVE A DAMN
