

# Valentine, Naughty Girl

Can't remember just how it happened  
The way you caught my eye  
Ooh my body started to tremble  
Going crazy when you walked by

I know what you're all about  
I know 'cause the word is out, you're such a

Chorus:  
Naughty, naughty girl  
Who everybody talks about  
Such a naughty, naughty girl  
The one I couldn't live without, ooh no

All the naughty things that you're doin';  
And all the things you've done before  
Takes my mind off what I'm doing  
And keeps me running back for more

I know what's going on  
I know when you turn it on you're such a
