

# Value Pac, Blank

I see the people I pass by in the streets  
well nothing but empty looks  
I see the people who put trust in who they meet  
well nothing but empty lives  
I don't want to see that  
I see the faces whose eyes cry out in pain  
well nothing but empty souls  
why do I see these people day after day Lord  
just what are you telling me?  
and then I walk by thinking to myself  
just maybe they've seen the way  
then I turn my head and walk the other way  
the easy way out is such a cop out  
I'm such a fool  
don't want to hide this hope no more  
so just show me Your way  
I don't know what I'm afraid of  
when I got You by my side  
I know I have the cure for this lost world  
why do I run and hide?  
so here I'm asking You for a little help now  
I'm such a pity all alone  
I need Your love so I can see through Your eyes  
and try to heal those searching lives  
why do I lean on my own understanding?  
why do I put trust in myself?  
when You know everything  
I have the answer and I pretend like I don't it  
what makes me so afraid?  
just make me realize there's nothing to it  
ain't got no fear in perfect love  
so just show me Your way
