

Vampiria, Reminiscence Of Hell (Vlad's Dominion)

Vlad, lord of cruelty and pain, come to my dreams, show me your hell.

Welcome foreigner to the kingdom of sadism, in this garden of hell there's a place for you. Blood for

Vlad's dominions are like a reminiscence of hell. Come to my dreams, show me your hell, this forest

Those impaled bodies are like debris of hell a sadic monument or an offering?
