

Van Morrison, Feedback Out On Highway 101

Feedback
out on Highway 101.
Feedback
out on Highway 101.
Cruisin' easy,
and your favorite DJ
havin' fun.
Look out, stand back,
there's a fool out on the road.
Look out,
stand back,
there's a fool out on the road.
Had one too many drinks
and he just may overload.
Stand back.

Night time
cruisin' 'long,
cruisin' along.
Night time cruisin',
night time cruisin' along.
You don't see the setting sun
[even 'fore the mornin' come ??].

Feedback,
feedback
out on
Highway 101.
Feedback,
feedback, feedback,
feedback
out on Highway 101.
Cruisin' easy and your
favorite DJ is
havin' fun.

Feedback,
feedback,
feedback,
feedback,
feedback
out on Highway,
Highway 101.
