Vanilla, Cabernet

Cabernet Sauvignon Break of Day, drunk 'til dawn

Don't care if the party's over 'Cause I wanna stay Can't stand But I can hold my Cabernet

Cabernet Sauvignon Sprinklers spray On the lawn

Don't care about work tomorrow Or what the neighbors say Can't stand But I can hold my Cabernet

When I drink it over The words get in the way When I drink it over I know (I know) But I can hold my Cabernet
