

Various, Its Allright

In the dark of the night I was
tossing and turning
And the nightmare I had was as
bad as can be--
It scared me out of my wits--
A corpse falling to bits!
Then I opened my eyes
And the nightmare was...me!!
I was once the most mystical
man in all Russia.
When the royals betrayed me
they made a mistake!
My curse made each of
them pay
But one little girl got away!
Little Anya, beware,
Rasputin's awake!
In the dark of the night
evil will find her.
In the dark of the night just
before dawn! Aah...
Revenge will be sweet
When the curse is complete!
She'll be gone!
I can feel that my powers are
slowly returning!
Tie my sash and dash of
cologne for that smell!
As the pieces fall into place
I'll see her crawl into place!
Dasvidanya, Anya, your grace,
farewell!
In the dark of the night terror
will strike her!
Terror's the least I can do!
In the dark of the night
evil will brew. Ooh!
Soon she will will that her
nightmares are real.
In the dark of the night
She'll be through!
In the dark of the night
evil will find her
Find her!
Ooh!
In the dark of the night
terror comes true.
Doom her!
My dear, here's a sign--
It's the end of time!
In the dark of the night...
In the dark of the night...
Come my minion,
Rise for your master.
Let your evil shine!
Find her now,
Yes, fly ever faster
In the dark of the night
In the dark of the night
In the dark of the night...
She'll be mine!
