Varius Manx, Belle

My name is Belle I'm dancing here every night by days I sleep and then I dream of better life

There on the stage I'm pretty good That's what they say I do my dance they clap their hands And pay me well but I pay more I pay in tears behind the scenes

O lord! Forgive me please and always keep your eye on me

One day I'll be the star I won't be said no more One day I'll stop to cry And all my dreams will be gone !!!

One day I'll be the star I won't be said no more One day I'll stop to cry And all my dreams will be gone !!!
