

Vaya Con Dios, Ilia

Gone is the man
Who loved his land
More than day
If his heart had to leave
His soul was to stay

Hear them calling
From the mountains
Calling from the plains
Hear the wind
Through the leaves
Singing lonely refrains

Banza banza banza banza iximi
Iximi mu n'gola
N'golo banza N'golo banza oh kima

U n'guivila n'go mueniomo
Ni ji pangue j kuteka
Kuilatata u mudi z-z
Mukonda di n'z&#oacute;

Who left his land
Aching for better days
A man who's heart s
Bound to bleed
For the ones who remain
