

Velasquez Regine, Can't Stop Thinking About Love

Hey, yeah, yeah

Day and night, you've always on my mind

A love like ours was very hard to find

But now your love has been taken away

What can I do to make you stay

Days go by, but still so much more tears to cry

So far apart, left me with this lonely broken heart

CHORUS:

Baby I can't stop thinking about love tonight

Can't even tell you what's wrong or right

I need you here to love me for the rest of my life

Don't you know how much loving I have for you

When you're not around my heart breaks in two

Baby, I can't stop thinking about love tonight

Can't stop thinking 'bout you?.

To love is what I do best

You'll always be better than the rest

It won't be easy finding someone new

'Coz there's no other one like you

The night goes on, and I still think of you from dusk 'till dawn

I love you so, don't know how I'm ever gonna let you

(Repeat Chorus)

Baby I hope you know I love you

With all my heart and soul

If you open your eyes, look into my heart

You'll see the love in store for you

(Instrumental)

(Repeat Chorus 'till it fades)
