

# Velvet Chain, Watching You

Words: j. stacy/a. costa

Music: j. stacy/e. amato

I'm watching you, from where I stand...  
The ground is shaky...  
When you pass close by  
My head is spinning

Here is safe, here is sound  
As long as you're around  
Keep you mine, if I keep my distance  
As long as I just hesitate and hold my ground

I'm watching you - it's what I do...

My hesitating mood, I stare then I brood  
I like my solitude, I'm frozen to it  
Here where I stand, you're coming my direction  
I have to look away, so you won't see me...  
I'm watching you  
I'm watching you  
It's what I do...  
It's what I do...

I wait for you, sometimes I do  
Think I'll talk to you

But when I see you...  
I just come unwired  
My head is spinning

Here is safe, here is sound  
As long as you're around  
Feels so nice, oh so easy  
As long as I just hesitate and hold my ground

I'm watching you, it's what I do...

My hesitating mood, I stare then I brood  
I like my solitude, I'm frozen to it  
Here where I stand, you're coming my direction  
I have to look away, so you won't see me...

I'm watching you  
I'm watching you  
It's what I do...  
It's what I do...  
I'm watching you  
I'm watching you  
It's what I do...  
It's what I do...
