

# Velvet Revolver, Can't Get It Out Of My Head

Midnight on the water  
I saw the ocean's daughter  
Walkin' through the burnin' rain  
Hopin' just to know her name

And I cant get it out of my head  
No, I cant get it out of my head  
Now my old world is gone for dead  
Cause I cant get it out of my head

Breakdown on the shore line  
Can't move, I've been paralyzed  
Morning don't get here till night  
Searching for her silver light

And I cant get it out of my head  
No, I cant get it out of my head  
Now my old world is gone for dead  
Cause I cant get it out of my head

Out of my head

Bank job in the city  
Robin Hood and William tell and  
Ivanhoe and Lancelot  
They don't envy me  
Sitting still I want to drown  
In my dreams the world keep  
going round and round

And I cant get it out of my head  
No, I cant get it out of my head  
Now my old world is gone for dead  
Cause I cant get it out of my head

And I cant get it out of my head  
No, I cant get it out of my head  
Now my old world is gone for dead  
Cause I cant get it out of my head
