

Vengaboys, Wind Beneath My Wings

it must have been cold there in my shadow ☐☐ to never have sunlight on your face
you were content to let me shine, that's your way
you always walked a step behind

did you ever know that your my hero
and everything i with i could be
i could fly higher than an eagle
for you are the wind beneath my wings

so i was the one with all the one with all the glory
while you were the one with all the strength
a beautiful face with out a name, for soo long
a beautiful smile to hide the pain

did you ever know that your my hero
and everything i with i could be
i could fly higher than an eagle
for you are the wind beneath my wings

did you ever know that your my hero
and everything i with i could be
i want you to know that i know the truth
of course i know it
i would be nothing without you

did you ever know that your my hero
and everything i with i could be
i could fly higher than an eagle
for you are the wind beneath my wings

oh you, you you , you are the wind beneath my wings
you, you , you the wind beneath my wings
fly, fly, fly away
you make me fly soo high
you, you , you the wind beneath my wings
thank you, thank you, thank you god for you
the wind beneath my wings
