

Verona, Endless day

The reason why
People are smiling at each other
Is a new and lovely day
Life is so good
Enjoying time, nothing else matters
Just breathe and you can pray

I wanna feel love
I feel free
I wanna feel love
I'm feeling free

I wanna feel love

I wanna feel love
I'm feeling free

What is the goal
Sharing your life with somebody
It's a joy I can say
Where would they go
Everything's here for everybody
Believe in an endless day

I wanna feel love
I wanna feel love
I wanna feel love
I wanna feel love

I wanna feel love
I feel free
I wanna feel love
I'm feeling free

I wanna feel love
